

# **Prevention Basics for Families**

**SAMHSA's NCADI Library collection, Information About Drugs and Alcohol (IDA), is an extensive resource comprised of research reports, journal articles and educational tools. It provides access to over 95,000 records focusing on drugs, alcohol, and tobacco, as well as mental health, social marketing and health communication issues.**

**This Library Search includes current articles and a bibliography of literature available from NCADI's online library collection related to the specific subject area of Prevention Basics for Families. To obtain articles from the bibliography, visit SAMHSA's NCADI On-site Library or contact the Library staff. A nominal shipping and handling fee may apply.\***

**The Library staff is also available to assist with searches and may be reached by phone or e-mail between 8:30 A.M. and 5:00 P.M. (EST), Monday through Friday.**
